

SCIENTIFIC PROGRAM

- **Surgical Technique and Evaluation of the Incidence of Complications Following Thoracoscopy Attenuation of Porto Azygos Shunt**
Dr. Francesco Collivignarelli (Italy)
- **Incidence of Complications in Laparoscopic Lymphadenectomy of the Medial Iliac Sentinel Lymph Node: a Comparison between no Tracers, Methylene Blue and Indocyanine Green**
Dr. Francesco Collivignarelli (Italy)
- **Thoracoscopic Thymomectomy Associated with Exfoliative Dermatitis in a Cat**
Dr. Camilla Giardina (Italy)
- **Diagnostic and Therapeutic Techniques in the Lower Urinary Tract in Small Animals**
Dr. Diego Luis Casas Garcia (Spain)
- **Nasopharyngeal Stenosis in the Feline Species: Endoluminal Management**
Dr. Diego Luis Casas Garcia (Spain)
- **Thoracoscopic Pulmonary Lobectomy and Amputation of a Hind Limb in the same Patient: When Thoracoscopy makes the Difference**
Dr. Francesca Izzo (Italy)
- **Thoracoscopic Resection of Right Auricular Mass in a Dog**
Dr. Edoardo Poggi (Italy)
- **Thoracoscopic Partial Pulmonary Lobectomy with Exeresis of a Portion of the Diaphragm in a Dog: clinical case**
Dr. Roberto Properzi (Italy)
- **Narrow Band Imaging in Veterinary Endoscopy: Current Insights and Challenges**
Dr. Vasilliki Stathopoulou (Greece)
- **Similarities Between Pediatric Human Minimally Invasive Surgery and Veterinary Minimally Invasive Surgery in Small Animals: A Perspective Based on Patient Weight**
Dr. Maurici Batalla (Spain)
- **Thoracoscopic Lung Lobectomy in Cats Using a Self-Locking Ligation Device or a Self-Ligating Loop: a Cadaveric Study**
Dr. Kristin Coleman (USA)
- **Thoracoscopic Stapled Lung Lobectomy in Cats: a Cadaveric Study and Case Series**
Dr. Kristin Coleman (USA)
- **Sentinel Lymph Node Lymphadenectomy Guided by NIR-ICG**
Dr. Constantin Vasile Ifeme (Romania)
- **NIRF-ICG Guided Intestinal Perfusion Assessment in Veterinary Surgery**
Dr. Constantin Vasile Ifeme (Romania)
- **The role of NIRF-ICG in Surgical Oncology Staging for Genitourinary Neoplasia**
Dr. Fausto Brandao (Portugal)
- **Laparoscopic Hiatal Hernia Repair: current perspectives**
Dr. Fausto Brandao (Portugal)
- **Training in Vet Robotic Surgery**
Dr. Nguyen Tran
